

Marlene works for Hoffie Nursery, Inc. and its sister company, GET Group, Inc. She is an Illinois Certified Nursery Professional in Perennials and has worked for wholesale perennial nurseries for over twenty years, including eight years as owner of Prairie Haven, Ltd. She is the past President of the Ornamental Growers Association of Northern Illinois and a member of the IGIA ICN Pro committee. She is a graduate of the University of Illinois, has taken horticulture classes at McHenry County College, and has attended many other programs sponsored by the Chicago Botanic Gardens, the Morton Arboretum, the Perennial Plant Association and others. In addition to her home gardens, she and her husband have been restoring prairie, wetland and woodland habitat on their property near Woodstock, IL.
